

## Lesson 5 - By D.B. Ray

Page 65 – 72

### Page 65 – Distinction between uses of Kingdom

- The book as a whole focuses on the Kingdom spoken of in Dan 2:44
- Book addresses what the Lord was referring to in Mark 1:15, etc...
- This does NOT mean that other senses of the Kingdom are missing
- This Lesson acknowledges other uses of the word Kingdom in the Bible

### Page 65 – Kingdom meaning “God’s General Providence”

- “Providence” the care and superintendence which God exercises over His creatures. He that acknowledges a creation and denies a *providence* involves himself in a palpable contradiction; for the same power which caused a thing to exist is necessary to continue its existence.
- Ps 103:19, ... His Kingdom ruleth over all
- 1 Chron 29:11, ...Thine is the Kingdom, O LORD, and Thou art...head above all
- All creatures in heaven and earth are included in this Kingdom

### Page 66 – Kingdom meaning “Political Commonwealth of Israel”

- The Jewish nation was God’s ancient political kingdom
- It was fully organized at Mt Sinai 430 years after the call of Abraham
- 2 Chron 13:8, ... the kingdom of the LORD in the hand of the sons of David...

### Page 66 – Bro Ray gives a Third Use – DISAGREE WITH THIS ONE

- Kingdom as “special providential care over His chosen people”
- I do NOT suggest that God fails to provide such a care for His chosen ones. Seems this is addressed in the explanation of “Providence” above.
- Disagree with the use of Rom 14:17 and especially Matt 21:43 to support it
- [Mat 21:43] Therefore say I unto you, The kingdom of God shall be taken from you, and given to a nation bringing forth the fruits thereof.
- Understand that the Church Kingdom first consisted of Jews
- The Apostles were Jews; they make up foundation (Eph 2:20, 1 Cor 12:28)
- Time came when Jews rejected the Lord and His Church (Matt 23:37-38)
- Church Kingdom then passed to the Gentiles (Acts 13:45-46)
- When Church Kingdom passed from Jew to Gentile, fulfilled Matt 21:43
- Consider Rom 11:15; vs19-21; vs25 along with Ezk 37:12-17 & Rev 11:7-15

### Page 67-68 – Kingdom as the Heavenly Home

- Bible sometimes refers to heaven above as place where Christ intercedes
- Chief reference shared, 1 Cor 15:49 – 59
- Differ with his use of Acts 14:22, 2 Tim 4:18, and 2 Pet 1:11
- Suffering for the Kingdom and ministered into Kingdom indicates laboring to be a part of the Kingdom once all corruption has been removed from it
- See the Lord’s Kingdom in Militant State now and Triumphant State later

### Page 68 – The Organized, Spiritual Government

- Referred to in Isa 9:6-7...the government shall be upon His shoulders...
- Kingdom of David was a type of the Lord’s current organic Kingdom
- David as King was a type of the Lord’s current Kingship
- See reference in Hos 3:5 where David is used to refer to the Lord
- The use of David as King and the Kingdom of Israel are used to refer to the Lord’s Kingship and the Lord’s current Kingdom.
- They are only the same as the “type” is to the “anti-type.”
- One is used to represent the other and is called by the same name.
- Example of John the Baptist
- John the Baptist is called “Elijah the Prophet” because he came in the spirit and power of Elijah.
- Is absurd to say that these two men are exactly the same people even though the one is used to represent the other and called by the same name.
- It is likewise absurd to say that King David and the Lord are exactly the same people just because one is used to represent the other.
